

Guidelines for electronic devices usage

To ensure a safe and comfortable environment for everyone, we have established the following guidelines for using electronic devices including smartphone, mobile phone and other devices within our hospital. We kindly ask for your cooperation in observing these rules.

1.Outpatient areas

Location	Electronic Devices					Mobile router
	Power	Phone calls	Text Messages	Internet use	Tethering	
Examination Rooms, Treatment Rooms, Testing Rooms, Blood Draw Rooms	ON	×	×	×	×	×
Designated Outpatient Waiting Areas		○	○	○	○	○
All Other Outpatient Areas		×	○	○	○	○

2.Inpatient Areas

Location	Electronic Devices					Mobile router
	Power	Phone calls	Text Messages	Internet use	Tethering	
Treatment Rooms, Recovery Rooms	OFF	×	×	×	×	×
Hallways, Restrooms, Shared Spaces	ON	×	×	×	×	×
Patient Rooms		×	○	○	×	×
Patient Rooms(single room), Day Room		○	○	○	○	○

3.Operating Rooms & Waiting Areas

The use of electronic devices is strictly prohibited in operating rooms and their waiting areas.

- Please switch your mobile phone to silent mode while inside the hospital.
- Please turn off all keypad tones.
- Please be considerate of others and refrain from making loud or extended phone calls.
- Please disable Wi-Fi functionality in areas where tethering and mobile hotspots are prohibited.
- Free Wi-Fi access is available at "CAFÉ de CRIE" on the first floor.
